Minnesota Biathlon asks your help in looking for a Biathlete.

Andrea (Andy) Arriagada, was last seen at her home in Sartell, MN. She was reported missing on 3 October 2005 when she failed to show up at a 6:30 a.m. Nordic ski practice at St. Cloud State University, St. Cloud, Minnesota.

Andrea has been involved in biathlon in St. Cloud for the last two years, under the direction of Ion Senchea. She has been very successful in this sport and loves taking part in competitions. She's very determined and last winter, after being hit by a car while rollerblading, she came back to competition and won 1st place in the novice category in two separate events.

Her biathlon coach Ion Senchea said “Andy is a smart biathlete and the entire team is very worried about her safety. We are asking all biathletes to take part in this nationwide search.”

She is believed to be wearing plaid pajama pants (red/blue/black), a blue t-shirt, a red sweatshirt with a “Vasaloppet USA” logo, and blue Adidas sandals/flip-flops. Her hair is most likely pulled back in a pony tail. She left her home with her biathlon rifle.

Andrea drives a 1999 dark green four-door Toyota Corolla with MN license plate number DSZ 142.
